CONVINCED of the necessity for a lasting and effective cooperation in the interest of the Parties; and

BELIEVING that such cooperation would serve their common interests and contribute to the enhancement of tertiary education for the benefit of both Parties.

NOW BOTH PARTIES HAVE AGREED as follows:

ARTICLE I
OBJECTIVE

The Parties, subject to the terms of this Memorandum of Understanding and the laws, rules, regulations and national policies, of each Party from time to time in force, agree to strengthen, promote and develop cooperation in tertiary education, as well as the development of activities for the purpose of mutual recognition.

ARTICLE II
AREAS OF CO-OPERATION

1. Each Party will, subject to the laws, rules, regulations, procedures and national policies from time to time in force governing or relating to the subject matter of this Memorandum of Understanding, endeavour to take necessary steps to encourage and promote co-operation in the following areas :-

Short-term Collaborations:

a) Faculty of Pharmacy

- Sri Shanmugha will annually send 10 students to AIMST for a Hybrid program involving Clinical study work and Internships.
- AIMST reciprocates by sending students to Sri Shanmugha for Industrial training and internships in India during the semester break.

PRINCIPAL
SRI SHANMUGHA COLLEGE OF
NURSING FOR WOMEN
PULLIPALAYAM, MORUR P.O. 637 304
SANKAGIRI (TK) SALEM (DT) T.N.

- AIMST will develop a structured short-term course for Sri Shanmugha, with online modules for Year 2 and Year 3, followed by Sri Shanmugha sending its students for Year 4.

b) Faculty of Engineering & Computer Technology

- Sri Shanmugha will send their 7th-semester students for internships at AIMST.
- Sri Shanmugha will assist AIMST in establishing a Center of Excellence (COE).
- AIMST will develop Open and Distance Learning (ODL) courses based on Sri Shanmugha's strengths.

c) Extended Reality:

- Exploration of opportunities for internships for VR students in Extended Reality activities.

d) Clinical Skills Centre:

- Sri Shanmugha will send 10-20 students yearly for Clinical Simulation training at AIMST.
- AIMST will develop a certified short course for Sri Shanmugha's medical technology students, with potential credit transfer discussions.

e) Faculty of Health Professions

- Joint development of courses, such as forensic nursing and geriatric nursing, for Sri Shanmugha's nursing students.
- Implementation of faculty exchange and development programs to foster cross-platform learning and facilitate knowledge exchange among students enrolled in twinning programs, students will have the opportunity to broaden their knowledge and gain perspectives from diverse academic and cultural backgrounds. This initiative will contribute to the academic growth of our students and promote collaboration among our institutions.

Prof. SHEELAVATHI N., M.Sc.

SANKAGIRI (TK), SALEM

- Hosting collaborative and immersive learning events, including workshops, seminars, and hackathons, to cultivate a culture of innovation among our students by offering personalized mentorship from experts across different fields to assist students in refining their projects, papers, or patent ideas, and encourage exploration of new fields to extend their creativity.
- Credit course mapping with the existing curriculum for students undergoing exchange/twinning programs.

Long-term Collaborations:

a) Center of Excellence/Training

- Introduction of hands-on training courses on cloud computing and cybersecurity, with potential expansion at AIMST.
- Collaboration with industry experts on Drone Technology training.
- Reciprocal exchange of students for Cyber and Cloud Training between AIMST and Sri Shanmugha.

b) INSPIRE:

- Extension of Sri Shanmugha's corporate readiness program, INSPIRE, to AIMST. This program is proposed to be conducted in a hybrid mode, including one week of offline training at AIMST.

c) Joint Research Collaboration:

- Dr. Srinivasan will lead the joint research work on sustainability, water treatment, Nano and Biomaterials, and drug delivery systems, involving interested AIMST members in his research.
- Collaboration on a joint research project in biotechnology, with AIMST invited to participate in research conducted by Sri Shanmugha.

d) Faculty of Business and Management

- Development of a 2-year MBA program by AIMST for Sri Shanmugha.

2. These collaborative initiatives between AIMST and Sri Shanmugha encompass a broad spectrum of academic, research, and industry-focused activities, reflecting both short-term and long-term objectives aimed at enhancing the educational experience, research capabilities, and professional readiness of students and faculty in both institutions.

3. For the purpose of implementing the co-operation in respect of any area stated in paragraph 1, the Parties will enter into a legally binding subject to terms and conditions as mutually agreed upon by the Parties.

4. The Parties will have the right to use and publish any information derived from implementing the cooperation in respect of any area stated in paragraph 1 provided that written consent is obtained from the other Party. In the event that one Party wishes to publish, disclose and/or present (in any form of disclosure) the data and/or the outcomes arising from this Memorandum of Understanding, the Party will submit a draft of each such publication or presentation to the other Party and give the right to have certain parts of the said publication or presentation to be removed or amended by the other Party itself. In any such publication, the contribution of the Parties will be acknowledged.

ARTICLE III
PROJECT STEERING COMMITTEE

1. The Parties will establish a Project Steering Committee (hereinafter referred to as "Project Steering Committee") to review the implementation of this Memorandum of Understanding between the two Parties.

2. The Project Steering Committee will consider ways and means to promote the aforesaid objective and to ensure the proper coordination and implementation of its decisions and/or recommendations. The Project Steering Committee will also review the progress of the implementation of all understandings concluded

ARTICLE V
IMPLEMENTATION

In the implementation of this Memorandum of Understanding, AIMST and Sri Shanmugha will arrange the details of any activities to be carried out, recognizing that the exchange of any staff or materials will not necessarily be simultaneously reciprocal.

ARTICLE VI
FINANCIAL ARRANGEMENTS

1. This Memorandum of Understanding will not give rise to any financial obligation by one Party to other.
2. However, commercials for each program mentioned above, will be worked out jointly and after the same is mutually agreed upon by both the parties concerned, they will enter into a separate agreement which will form part of this Memorandum of Understanding.
3. Each Party will bear its own cost and expenses in relation to this Memorandum of Understanding.

ARTICLE VII
PARTICIPATION OF THIRD PARTY

Either Party may invite the participation of a third party in the joint activities and/or programmes being carried out under this Memorandum of Understanding subject to written approval of the other Party. In carrying out such joint activities and/or programmes, the third party will be subject to all conditions and provisions of this Memorandum of Understanding unless the Parties agree otherwise.

ARTICLE VIII
PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

1. The protection of intellectual property (IP) rights will be enforced in conformity with the national laws, rules and regulations of the Parties.

2. The use of the name, logo and/or official emblem of any of the Parties on any publication, document and/or paper is prohibited without the prior written approval of either Party.

3. Notwithstanding anything in paragraph 1 above, the intellectual property rights in respect of any technological development, and any products and services development, carried out :-
   (i) jointly by the Parties and obtained through the joint activity effort of the Parties, will be jointly owned by the Parties in accordance with the terms to be mutually agreed upon; and
   (ii) solely and separately by either Party and obtained through the sole and separate effort of either Party, will be solely owned by the Party concerned.

4. The Parties agree that if any joint projects are undertaken in the course during the active duration of the signed Memorandum of Understanding, they would follow the terms mentioned in paragraph 2 of Article II, to avoid any conflict pertaining to intellectual property (IP) ownership. Therefore, the Parties acknowledge and agree that separate contractual document(s) shall be entered into between AIMST and Sri Shanmugha in relation to IP ownership and commercialization prior to starting any joint projects.

The scope of the MoU, the roles and responsibilities of the parties of the MoU are given below

Alliance Objective:

This document outlines a strategic understanding between SSCET and SSCON work together to offer the NSS Program to the Nursing Students. This NSS Program will help SSCON to train their students and position them for future career.

Definitions as used in this MoU:

- MoU means this instrument executed by SSCET and SSCON and subsequent amendments issued to the MoU by mutual consent as provided herein.
- NSS Program means Social Work, Campaigns and Trainings which will help the students to improve their skills.

Benefits to the students:

• **Personal Development**: NSS helps students develop various personal qualities such as leadership skills, teamwork, communication skills, and problem-solving abilities through hands-on experience in community service projects.

• **Social Responsibility**: It instills a sense of social responsibility and civic consciousness among students by actively involving them in community development and nation-building activities.

• **Skill Enhancement**: NSS activities often include training programs and workshops that enhance students' practical skills, such as first aid, disaster management, environmental conservation, and health awareness.

• **Networking Opportunities**: Students get to interact with people from diverse backgrounds, including fellow volunteers, community members, NGOs, and government officials, which expands their social and professional networks.

• **Career Advantages**: Participation in NSS can enhance a student's resume and provide valuable experiences that are attractive to employers and educational institutions for further studies or job placements.

Benefits to the College:

• **Community Engagement**: NSS encourages students to engage with local communities through various social service activities.

• **Skill Development**: Participation in NSS activities helps students develop various skills such as leadership, communication, problem-solving, and teamwork...
